

Dear Cameron House Community,

It is with immense joy and humility that I introduce myself today as the newly appointed Executive Director. My name is Scott Lan, and I am deeply honored to have the opportunity to serve alongside such dedicated individuals and to work hand in hand with all of you in making a meaningful impact on the Chinatown community.

As I step into this role, I bring with me an unwavering commitment to our mission of fostering growth, empowerment, and resilience within our community. Having spent nearly two decades working to advance social justice in various capacities within the nonprofit sector (K-12, higher education, workforce development & social services), I have witnessed firsthand the transformative power of collective action and the profound impact that our work can have on the lives of those we are privileged to serve.

I firmly believe that our greatest strength lies in our diversity, in the richness of our cultural heritage, and in the boundless potential of every individual we serve. Together, we have the opportunity to create a future where every member of our community feels supported, valued, and empowered to pursue their dreams. I am deeply committed to fostering an environment of collaboration, transparency, and inclusivity within our organization. I recognize that each of you brings unique talents, perspectives, and experiences to the table, and I am eager to work alongside you to harness the full breadth of our collective wisdom and creativity.

As we embark on this journey together, let us reaffirm our shared commitment to serving with integrity, empathy, and resilience. Let us embrace the challenges ahead as opportunities for growth and innovation. And let us never lose sight of our vision for a safe and healthy community and to put our faith into action to help people learn, heal, and thrive.

I want to express my deepest gratitude to each and every one of you for your unwavering dedication to our mission. Together, I have no doubt that we will continue to build a brighter, more inclusive future for all members of our Chinatown community.

In solidarity,

*Scott Lan*
